

APAVM RESTORATION FUND 3-year Annual Patron's Pledge

The Board of Directors of APAVM would like to seek the support of all Patrons and Friends to make an annual pledge for a 3-year period, towards the APAVM RESTORATION FUND. It is in the spirit of participation that we ask our benefactors to support APAVM's Restoration efforts. No amount is too small. We urge your generous support for this 3-year Restoration Pledge for an annual amount you are comfortable with. For those who can, we urge your participation in the "Advantage-Plus 3-Year Annual Pledge". Please consider one of the 5-levels of Advantage-Plus Pledges which comes along with complementary years of Patrons membership.

"WINDOWS OF THE LOGGIAS OF RAPHAEL" PROJECT

- "The Loggias of Raphael", a magnificent architectural prospect with three wings and three levels that overlooks the San Damaso Courtyard, was completed in the centuries that followed its creation in 1509.
- In order to better preserve the frescoes along the Lodges, the plan is to replace these windows with new, energetic efficient ones and the same time renovate and bring frescoes back to original colors.
- The installation of highly performative, multilayered glasses will intercept the incoming solar radiation and reduce the thermal heat before it impacts the exposed surfaces.
