THANK YOU FOR SUPPORTING THE MISSION OF THE VATICAN MUSEUMS

We are delighted that you will be joining us for the "APAVM Puglia, Rome & The Vatican 2027" trip. As a participant you will not only experience "The trip of a Lifetime" but will also be supporting the MISSION of the Vatican Museums: "To PROMOTE, PRESERVE and RESTORE the artistic patrimony of the priceless art and architecture treasures of the Vatican Museums". Since 1983, Patrons worldwide have generously conserved and restored precious works of art and artifacts of history, thus allowing future generations to be inspired by one of the world's greatest collections of art and architecture. Since our founding in 2016, APAVM has contributed and pledged over USD2 million in sponsoring many restoration projects of the Vatican Museums. Through your participation in this trip, you will be contributing to the APAVM RESTORATION FUND from which funds will be drawn to support APAVM's latest project: "THE WINDOWS OF THE LOGGIAS OF RAPHAEL". We thank you sincerely for your membership patronage. 70% of your fee goes towards the APAVM RESTORATION FUND. The remaining 30% supports APAVM Chapter administration expenses. New patrons joining this trip pay a fixed sum of USD1,800 per person for your patrons membership until Dec 2029.
